WORK EXPERIENCE

StartupYou, Indus Trust

02 / 2022 - 05 / 2025

Founding Designer - Learning Experience, Product & Facilitation

Education venture under Indus Trust building lateral thinking, innovation, and entrepreneurship programs for K–12 learners.

- Designed, delivered and scaled entrepreneurship and innovation programs for K-12 from an internal pilot to 20+ schools across India serving 5000+ students.
- Created a consistent visual language system for student and management reports and in-class decks and assets.

Total Environment

09 / 2020 - 11 / 2021

Graphic Designer - Marketing & Design Operations

Architectural firm specialising in landmark red brick facades and nature-integrated villas and apartment towers.

- Designed print and digital promos, investor presentations, brochures, environmental signages, videos & other marketing collaterals across verticals in collaboration with CEO’s office, architecture, marketing, and sales teams.

PROJECTS

Student Report Generator, StartupYou

Designed and shipped an AI-powered reporting tool across two iterations - a Google Apps Script prototype, then a React web-app rebuilt after identifying usability gaps from faculty feedback. A Large Language Model (LLM) API parses faculty observations from Google Sheets to generate personalised reports, cutting turnaround from 4 weeks to 1.

Digital Asset Management System, Total Environment

Designed the taxonomy and information architecture for a SharePoint media library of 5,000+ assets, improving asset governance and cross-functional alignment. Created async walkthrough videos to onboard marketing, architecture, and sales teams.
